Fresh ideas about reading the tarot, for
beginners and old hands

Part 2 – A Journey through the Major Arcana

Saturday 20th June

This workshop will utilise guided visualisations, audio-visual presentations, and story-telling to help us vividly experience the powerful imagery of the Major Arcana. We'll create movement sculptures based on our reactions to the different archetypes, assisted by the other participants, enabling us to incorporate the lessons of these mysterious images both consciously and unconsciously. Reading demonstrations and experiential practice with the full deck will give you confidence to read for yourself and others.

Notes and a bibliography of further reading will be supplied.

Please note, a basic understanding of the Minor Arcana is required for this workshop. (However, if you were unable to attend, notes based on the *Secrets of the Minor Arcana* workshop held in May will be supplied.)

TIME: 11.00am - 6.00pm. There will be breaks for lunch and tea. Tea and biscuits will be provided. Please bring your own packed lunch.

DATE: Sunday 23rd May (The Minors) and Saturday 20 June (The Majors)

VENUE: A private venue near Harrow & Wealdstone Station. The address will be confirmed when you book.
